## Newsletter

Our **RealTimes online newsletter** is the perfect complement to the print edition of RealTimes magazine, allowing us to provide you with regular updates on current topics from across the ETAS world:

- Use cases and success stories with ETAS products
- Technical articles
- Company information
- Information on trainings and events
- Interviews
- FAQs

The registration form and previous issues of RealTimes online are available at: [www.etas.com/RT0](http://www.etas.com/RT0)
