

DRIVING EMBEDDED EXCELLENCE

ETAS GmbH - Repair Price List 2020

Prices only valid for ETAS Germany. If you need information on your local prices, please contact your local sales representative.

Dear Customers,

Please find enclosed a list containing item numbers, description, and prices for repairs of your products. If you cannot find an item number in the list, please contact your ETAS contact person for further information.

Cables excluding all warranties for defects cannot be repaired. In these cases, please order a new cable from the current price list. Cables under guarantee are replaced by new ones.

When sending a device for repair, please complete the "Hardware Return Form" and kindly return it together with your unit. Your official purchase order is also necessary and should be sent with the device. Please mention in the "Hardware Return Form" the name of the forwarding agent we have to use when returning the unit back to you.

Our "Hardware Return Form" can be located on our Internet under "Support Center--> Hardware Return/Repair Form"

Please note, if you should also require a calibration, please state this explicitly in the "Hardware Return Form". Calibration is an additional Service.

Prices and item numbers for current calibration services can be found in our "Calibration Price List & ETK Check" at the end of the document.

Prices: All prices are net prices, plus VAT.

Validity: from 07 January 2020

In addition, our General Terms and Conditions for the Provision of Engineering Services, Support Services, and Software Maintenance apply in the version valid at the quotation date.

All General Terms and Conditions are available on the ETAS internet pages. See:

<https://www.etas.com/AGB-ETASGmbH>

or will be provided upon request.
